LANDSCAPE DESIGN SCHOOL

Objectives

1. Develop a greater sense of appreciation, pride and knowledge about our private, public and historic gardens.
2. Become better informed in order to promote positive changes in our surroundings to encourage beauty, utility, convenience, sound ecological practice and ease of maintenance.
3. Encourage better understanding of the landscape design process.
4. Stimulate interest in all phases of landscape design.
5. Develop a contingent of landscape design consultants to serve communities, provide leadership, educational programs, scholarships and awards.
