

## Protected Native Plant List

### FGCNYS POLICY—MARCH, 2001

Plants named on the New York State list, "Protected Native Plants," cannot be exhibited in competitive classes, except in Special Exhibits Division as an Educational Exhibit. Such plants must have been acquired in a lawful manner, and may be cut specimens and/or container plants.

Commercially developed hybrids or cultivars (**not natural varieties**) of plants on the NY list are permitted in competitive classes, but **only** when the distinguishing feature is evident (April, 1992).
