Award Booklet 2020 - 2021

A message from Victoria Bellias,
President:

Dear Club Members,

*Congratulations on a busy
2020 award year!*

*Our clubs accomplished so
much, and I am proud of what
you do. Our Clubs received
National and State awards, as
well as participating in our
world gardening projects,
helping to provide good
hygiene thorough water, so
important during this time.
Our state received the “Long
Walk to Water” Award for ten
years of service to Water for
South Sudan by funding
building and servicing wells.*

*I am so happy that you are
continuing to be active
through zoom meetings and
your ongoing community
projects.*

Sincerely, Vikki Bellias

A message from Jeanne T. Nelson,
State Award Coordinator:

Dear Members,

*The awards committee is so
grateful that so many clubs
applied for the various award
opportunities. As we think
about Awards for 2021 a
reminder to submit your
awards to your District Award
Chairman. The District Award
Chairman ensures that
everything is complete before
sending applications on to the
State Chairman for that
Award. It is important to
include the Central Atlantic
Region of State Garden Clubs
(CAR-SGC) and Nation Garden
Clubs (NGC) award
applications as well as the State
application. If you won at the
state level, you will be eligible
to compete for the CAR-SGC and
NGC awards.*

*Congratulations to our 2020
winners!*

*Jeanne T Nelson, State Award
Coordinator*

When Salva Dut first established WFSS, he had many people surrounding him who were ready to help—many of these people still support the organization today. This award goes to the individual or organization that has generously supported WFSS for 10 years or more. FGCNYS donations have built wells, serviced previous wells, and supported health/hygiene programs in the villages.
